

Valley Living at it's Best

Designed by Troppo Architects, this light filled home with it's progressive unique design is sure to appeal to those who enjoy a point of difference that few homes offer. This is Valley living at it's finest!

Ideal for a sophisticated buyer with a lifestyle in mind, this home not only looks stunning the design is considered. Private and protected there is a sense of whimsy here. The features of the property have been carefully considered and designed to create the most efficient environmental space without compromising comfort.

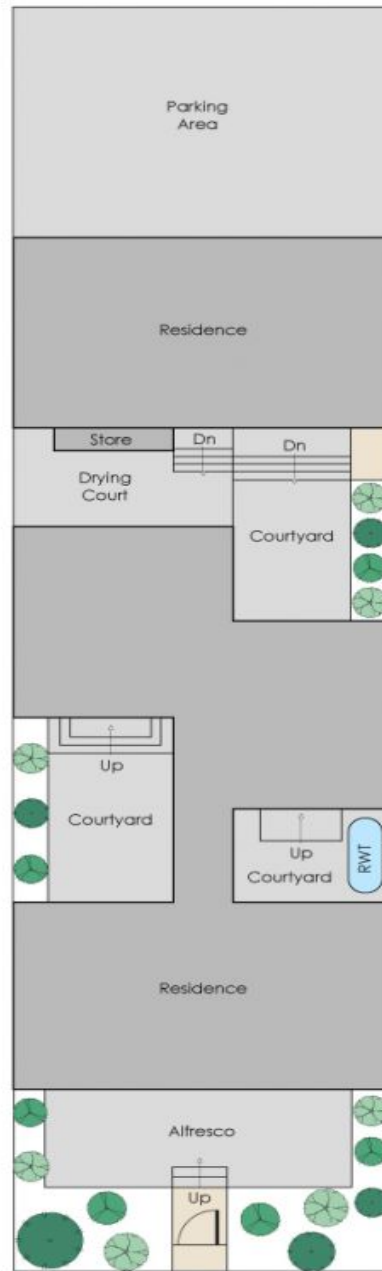

This rammed earth solar passive home comprises of a series of pavilions and courtyards. There is nothing ordinary about this address! From every angle and aspect this property is a visual feast.

Tall bamboo surrounds the front timber deck that greets you as you enter, a striking aesthetic that continues throughout the home.
