

## Application Pending

### The Valley

Behind the high picket fence this classic 50s brick and tile home has a front enclosed yard, great for children to run around, off street parking for 2 cars, handy garden shed and the rear of the property has an undercover entertaining area, and built in wood BBQ.

This charming dwelling offers accommodation including 3 bedrooms, main bedroom, adjoining the separate living, through the separate dining to an extension featuring the kitchen with great natural light through the windows, dishwasher, and laundry area with great storage.

Two further bedrooms one with roller shutter, along with separate toilet, and central bathroom with shower & separate bath.

The house features the original polished jarrah floorboards, high ceilings, security door and undercroft storage.

Bond: \$1,500
