Brand New West End Apartment

Established in a boutique development in the historic west end precinct this light open plan apartment features high ceilings and large glass sliding door leading out to a private terrace balcony overlooking Bannister Street. The kitchen is equipped with dishwasher, soft hinges & door runners and glass/mirror splash-back and reverse cycle air-conditioning.

The main bedroom is interconnecting with the living room through bi-fold louver shutters and has built in robes and direct or side accesses to the combined bathroom and laundry equipped with a clothes dryer.

Also features a large store-room located on the same level as the apartment for easy access and one allocated secure car bay. The complex also offers several bike racks, an audio-visual intercom system linked to entry lobby and rooftop solar panels.
