

Single Level near New "Rear" Home

With stylish spaces and a thoughtful design, this 6-Star Energy Rating home achieves a wonderful sense of place with its northern orientated living spaces and comfortable living environment.

Double brick and built in 2014, the open plan living space with neutral decor is flooded in year-round natural light. A sunny separate living room provides a peaceful escape from the busyness of the central living zone to watch your favourite film or quietly read a book. Rich hard wearing laminate flooring flows through the open plan living with plenty of space for living, dining and of course, preparing meals in the highly functional kitchen. Boasting a walk-in pantry, the kitchen has a 5 burner gas cooktop, 90cm oven, dishwasher and plenty of storage and bench space.
