

## Oh So Freeo

Make your move on this gorgeous property, it is to be Sold.

This truly unique property has recycled materials obtained from St John of God Hospital Subiaco , when a major rebuild occurred at the hospital in 1981.

The rustic charms of this bright light filled Street front property offers a welcome retreat within the buzz and vibrancy of bustling Fremantle.

Being one of twelve homes in the development, aptly titled "The Village", the home has been constructed from recycled timber, brick and limestone that feature prominently throughout the Provincial style cottage. These help to encapture and harness the essence of what we love about Fremantle.

Located in a boutique group of dwellings, you're afforded peace and privacy within the village complex.
