This apartment is ideal for those wanting to secure a fully furnished, move in ready property in this sought after coastal location.

To be sold fully furnished, with the benefit of recent additions and upgrades this property is a standout within the complex.

Nineteen Douro Road has used the backdrop of South Fremantle to push the design envelope and has become a landmark of the South Fremantle landscape.

Step outside your urban, architect designed apartment and you're just minutes from the beach and the vibrant South Terrace. Abuzz with a mix of eclectic lifestyles, restaurants, bakeries, cafes and boutiques.

The architects of Nineteen Douro Road have captured Fremantle's industrial, alternative flavour but in a contemporary manner that draws inspiration from the raw warehouse-style aesthetic the area is synonymous with. The building compliments the streetscape and reinforces the alternative community nature of the neighbourhood.
