

## Under Offer 2nd Week

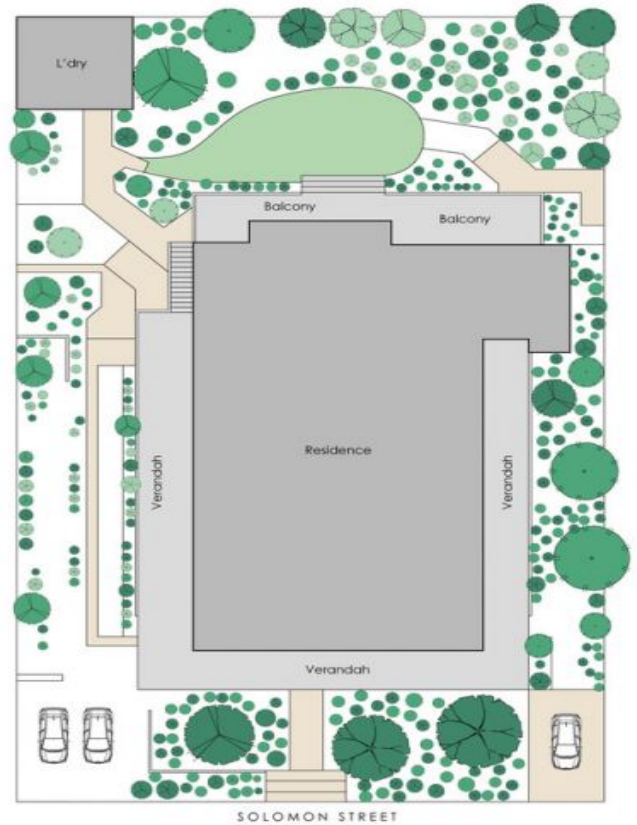

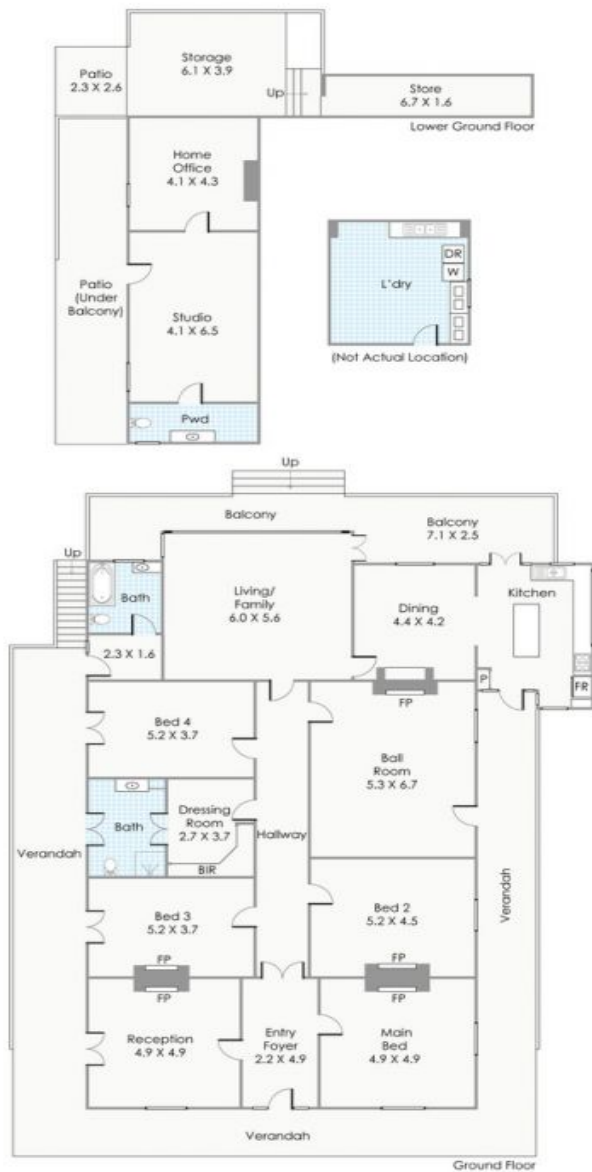

This is an iconic Fremantle residence gifted with history, charm, land and extensive ocean views. The position of the home in a prominent Fremantle Street with a distinct facade on a large, quarter acre block makes this property a rare find in the current market. 77 Solomon Street, also known as 'Atwell House', was built in 1898 by prominent local businessman, Henry Atwell. This 2 storey limestone residence with impressive central hallway is grand in size and architecture. Wide, sweeping wraparound verandas embrace the home and attractive French doors allow indoor/outdoor access from several of the rooms. The period features are endless with not less than six fireplaces complete with ornate overmantels, wide jarrah floorboards and high, embellished ceilings which all compliment the beautifully proportioned rooms throughout.
