

Garden Haven with a Gorgeous Home!

This 1900's fully renovated character home has been masterfully extended to provide 3 bedrooms, 2 bathrooms, and a double undercroft garage with a workshop and cellar.

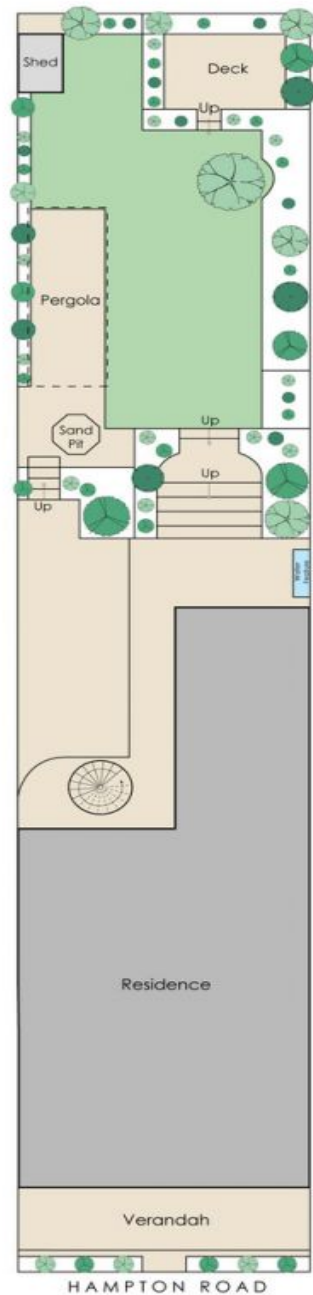

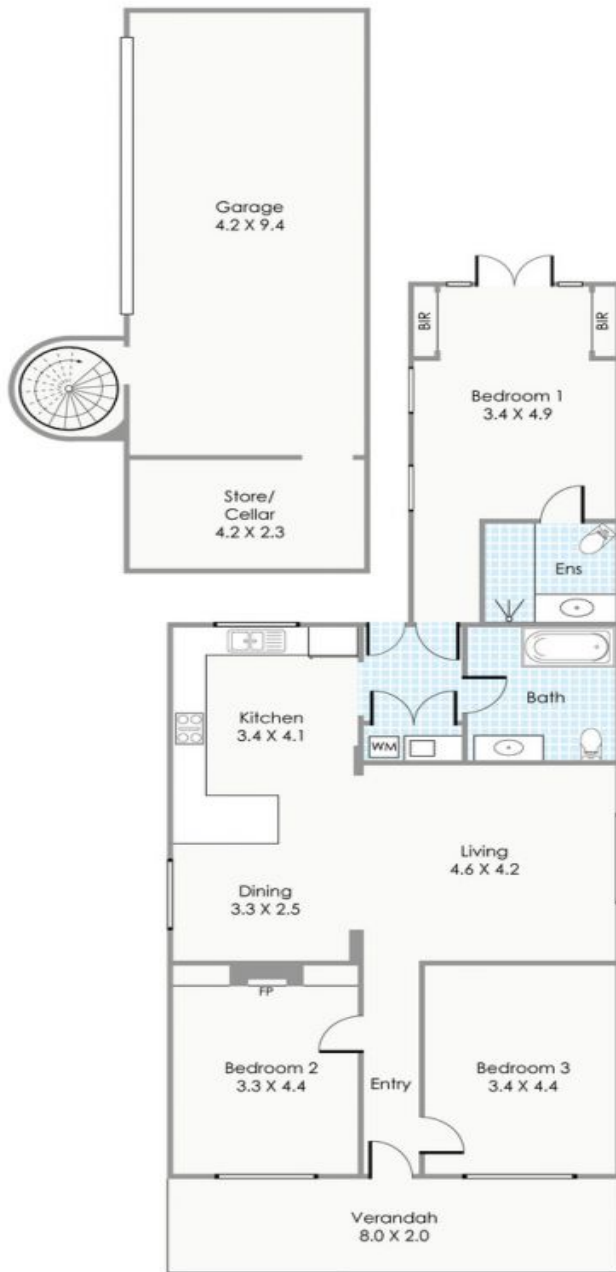

The original home greets you with a bull nose verandah over a protected front courtyard, and the wide, central hallway leads past two front rooms and into the open plan living area. All zones are spacious and have plenty of natural light from casement windows on both sides. The front windows are double glazed and the home boasts jarrah floor boards, picture rails, ceiling roses and deep Victorian cornices. The front 2 rooms both have built in cupboards, and one has a fireplace with mantle and gas fire insert.

The kitchen is funky and well designed, with lots of bench space, including a breakfast bar with Corian stone tops and extensive cupboard space above and below. There is 900mm gas cook top, Smeg oven with rangehood, Fisher and Paykel 2 draw dishwasher, and a double sink placed perfectly for views over the gardens.
