

Charming Home in Desirable Richmond Circus Precinct

The appealing house has versatile living spaces, giving you the freedom to create the home you desire depending on your lifestyle.

A welcoming entry hall leads into a light filled lounge with high lofted ceilings, gas log fire and a separate dining/sitting room. Nearby is a generous study/home office with built in timber shelves and large windows overlooking the garden.

Further into the home you will find a spacious kitchen with quality cabinetry, featuring a large walk in pantry, gas cooktops, dishwasher, refrigerator and microwave. A bank of north facing French doors open out to a tranquil decked entertaining area with established gardens, potted citrus and a lily pond.

There is a spacious bedroom nearby which also opens out to this lovely garden area, and offers built in robes and semi-ensuite access.
