

## Move-in Ready Apartments Freo - Liv Apartments

A common theme shared throughout the apartments at Liv is space. Through clever design, the architects at Hassell have created highly efficient and spacious apartments which maximise the living and entertaining areas. This ground floor apartment boasts 59 square metres of cleverly designed internal living, making it one of the largest 1 bedrooms at Liv. It also features a spacious balcony with low-maintenance modified timber composite decking, and quality appliances. If you're seeking a different layout, there are a limited number of other 1 bedroom apartments, ranging in size from 50 to 65 square metres also available at Liv. When it comes to quality, you'll find the standard of materials, finishes and appliances will impress the most fastidious of buyers, while the cost conscious will appreciate the energy saving inclusions like ceiling fans, and water and energy efficient fittings and fixtures.
