

## Move in Ready Apartments in Freo's East End

A common theme shared throughout the apartments at Liv is space. Through clever design, the architects at Hassell have created highly efficient and spacious apartments which maximise the living and entertaining areas. This two bedroom two bathroom apartment on level 1 has 79 square metres of cleverly designed internal living and features segregated bedrooms, a large 17 square metre courtyard as well as a large kitchen bench with dining counter. If you're seeking a different layout, or a two bedroom apartment at a different price point, there are a few options to choose from, with internal living areas ranging from 65 to 80 square metres. When it comes to quality, you'll find the standard of materials, finishes and appliances will impress the most fastidious of buyers, while the cost conscious will appreciate the energy saving inclusions like ceiling fans, and water and energy efficient fittings and fixtures.
