

Simply Charming!

Lovingly and thoughtfully renovated to suit modern family living without losing any of the original character of the home, this striking three bedroom home offers charming kerbside appeal.

From the wide inviting verandah to the secluded back garden the home nestles within the welcoming landscape, with tall trees providing shade and shelter.

The charming exterior is matched by the light filled and freshly updated interior, with a traditional brick fire place in pride of place in the living area which leads through to the cleverly designed eat in kitchen. The high ceilings and wooden floors, doors and windows all add to the Hilton character of the home.

Newly installed French doors open out onto the large rear alfresco, expanding the living area to the outdoors and creating a wonderful environment for entertaining, relaxing, living and playing.
