A common theme shared throughout the apartments at Liv is space. Through clever design, the architects at Hassell have created highly efficient and spacious apartments which maximise the living and entertaining areas. This two bedroom one bathroom apartment on level 1 is cleverly designed, with a great internal living space and features segregated bedrooms, as well as a large kitchen bench with dining counter.

When it comes to quality, you'll find the standard of materials, finishes and appliances will impress the most fastidious of buyers, while the cost conscious will appreciate the energy saving inclusions like ceiling fans, and water and energy efficient fittings and fixtures.

If you have a small dog, cat or fish they're most welcome to call Liv home too.
